

OpenEdge to OpenEdge Architect Integration Layer

Create new full functional Eclipse Plugins in Progress/ABL and integrate your existing ABL programs into the OpenEdge Architect.

- Integrate your 4GL/ABL development tools into OpenEdge Architect for developers
- Create commercial tools for OpenEdge as native Progress/ABL programs running in a View in OpenEdge Architect
- Create native Java UI plugins for the OEA
- Everything easy in ABL

IAP Gold Sponsor at EMEA PUG Challenge

The European Progress User Groups are organising the premier technical and business oriented conference in the Progress world in 2010, to be held on Nov- ember 18th and 19th in Cologne / Germany.

IAP is Gold Sponsor of the conference!

[Read more about the EMEA PUG Challenge and IAPs role in the conference.](#)

World Cup betting game finished

The OF-1 Soccer World Cup in South Africa betting game was great fun and great success.

The winner of the "OF-1 Soccer World Cup in South Africa betting game" will receive the iPad in a few weeks, when the iPad UI is available translated into his language.

[The winner is...](#)
